How to opt out of paperless billing

If you prefer to opt out of paperless billing and you are a MyChart user, login to your MyChart account at mychart.selfregional.org or use the MyChart app on your mobile device. Locate the billing section and scroll to the section where you see, "If you would like to receive paper statements, you may cancel paperless billing." Select cancel paperless billing". If you are not a MyChart user, either follow the links within the notifications received or call Customer Service @ (864) 725-7800 for assistance.
