

The grant proposals under consideration by the Self Regional Healthcare (SRH) Community Health Committee (CHC) shall contribute to achievement of one or more of the following goals:

1. Increase the treatment, prevention and/or early detection of diseases and conditions that affect significant portions of the SRH service area.
2. Proactively promote healthy lifestyles and reduce the conditions resulting from unhealthy lifestyles such as obesity, cardiovascular disease, drug and alcohol abuse, tobacco use, teen pregnancy, child abuse / neglect, etc.
3. Address the Social Determinants of Health (SDOH) that affect patients and communities based on SRH's organizational efforts and the most recent Community Health Needs Assessment (CHNA).

CRITERIA FOR FUNDING

- In-person or Virtual Presentation to the Community Health Committee
- Applicant organization **must be** not for profit, 501(c)(3); documentation required.
- Define measurable outcomes and bi-annual reporting of those specific outcomes.
- Provide W-9, most recent tax return, project budget and financial statements.
- Demonstrate strong community partnerships.
- Identify all other possible sources of funding.
- Must not involve liability to Self Regional Healthcare, except to provide the funding amount approved by the Community Health Committee
- The CHC does not make multi-year commitments and will not fund new entities that do not have appropriate documentation.
- Must not involve the establishment of a permanent foundation or trust or a permanent interest-bearing account or involve an attempt to influence legislation

REQUIREMENTS OF THE RECIPIENT

Self Regional Healthcare should be credited graphically for all programs, events and products produced. The Self Regional Healthcare logo should also be incorporated on products, reports, or other collateral related to the project.

A 6-month update and a final report must be submitted outlining outcomes and goals achieved as stated in the initial request for funding. If challenges prevent the project's completion within the stated timeframe, staff must be notified and a written request for an extension must be submitted for approval to avoid return of the grant funds. You may contact staff at 864-725-5469 or communityhealth@selfregional.org.
